APW
PO Box 2157
Madison, WI 53701-2157

10 E. Doty Street, Suite 500
Madison, WI 53703

AGGREGATE PRODUCERS OF WISCONSIN

AGGREGATE PRODUCERS OF WISCONSIN

Dedicated to your aggregate needs

Why should you join?

☑ You will have a voice

With increasing pressure from citizen and environmental groups, legislators and policymakers are enacting more and more regulations that adversely affect the aggregate industry. APW employs a **full-time lobbyist** to represent your interest in state legislative and regulatory issues — **issues like Comm. 2 & 8, NR 135, DNR rules changes and more.**

☑ You will be informed

A quarterly newsletter and News In Brief will be sent to you personally to keep you up-to-date on current events, legislative and regulatory issues and association news. An annual membership directory is published, giving you easy access to your Board of Directors, fellow producer and associate members, government contacts and other aggregate affiliates.

☑ You will increase your knowledge

The annual APW convention will give you the opportunity to network with your peers while learning what's new in your industry with presentations on contemporary issues, associate member exhibits and a general membership business meeting. In addition, APW organizes membership events centered around specific current topics or activities. Previous APW sponsored seminars have focused on reclamation rules (NR 135) and MSHA Part 46 regulations.
